

Section 3 – External Auditor Report and Certificate 2018/19

In respect of **Theydon Bois Parish Council EX0247**

1 Respective responsibilities of the body and the auditor

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2019; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work **does not** constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and **does not** provide the same level of assurance that such an audit would do.

2 External auditor report 2018/19

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

- The smaller authority has disclosed that it made proper provision during the year 2018/19 for the exercise of public rights, by answering 'Yes' to Section 1, Assertion 4. However, as was reported last year, we are aware that it failed to do this and therefore should have answered 'No' to this assertion. It has also disclosed that it took appropriate action on all matters raised in reports from internal and external audit, by answering 'Yes' to Section 1, Assertion 7, which, on the basis of the above, is not correct.
- The AGAR was not accurately completed before submission for review. Due to a transcription error, Section 2, Box 9 for the prior year should read £103,345 not £101,198 as stated.

Other matters not affecting our opinion which we draw to the attention of the authority:

- The annual internal audit report focuses on a series of internal control objectives covering an authority's key financial and accounting systems and concludes whether, in all significant respects, the internal control objectives were being achieved throughout the financial year to a standard adequate to meet the needs of the authority. We note that the internal auditor has not provided a conclusion on the following internal control objectives: F. The internal auditor has stated that there is no petty cash system, however information submitted by the smaller authority indicates that there is a petty cash balance. The annual internal audit report will inform the authority's response to assertions 2 and 6 in the annual governance statement. As a result, the authority must ensure that assurance that has not been provided via these control objectives has been sought elsewhere.

3 External auditor certificate 2018/19

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2019.
